Without a doubt, Justin Cash does it all, and does it well!! From solo guitar to a full band with vocals, Justin always exceeds our expectations, and once he is booked, our worries are over! Justin's consistency in his wonderful attitude and attention to detail are two of the reasons that he is our first call for so many events. Always professional, always the best, Justin will continue to be at the top of Encore's roster.

Justin Cash is easily one of Dallas' most accomplished young musicians. His talents as a guitarist and vocalist are phenomenal, with a refreshingly humble yet charismatic persona to match. I always enjoy working with Justin, whether as a soloist or leader of a five-piece band. I know that my party guests will be well taken care of and moved by his work. Justin truly helps me look like a star to my guests and clients any time he plays for one of my events!

-Derrick Logozzo, Director of Instrumental Music, Eastfield Community College

Hi Justin, Just a short note of thanks to let you know how much we enjoyed your band playing at my 50th birthday party. It was a magical night thanks to you and your band. You guys were the absolute highlight and truly made the night memorable. Besides the incredible guitar work and wonderful vocals, it was such a treat when you let my

musically gifted friends sit in on a some songs, too.

You were not just the entertainment, you were the PARTY! I never knew it was so easy to book a band. You made it simple. Being able to pick songs from your playlist and then to hear them played so beautifully was incredible. All of our guests commented on your amazing talent and they keep asking if we can do it again next year. After just one night with you and your band we consider you friends. Thank you again for making the night so special.

Nothing short of "Awesome!"

Hi Justin. Craig and I just want to tell you how much we appreciate you and your trio playing at our wedding and reception. Your playing and singing was wonderful, and you had the sound set just right - not too loud, but not too soft, either. Thank you for playing the particular songs we requested - especially "Riviera Paradise," which Craig especially enjoyed. As well, we appreciate that you all were friendly to us and the guests, and looked and behaved professionally at all times. Thank you for being easy to work with ahead of time on the planning

Thank you again for helping make our big day wonderful!

-Elizabeth & Craig Jarvis

Justin's music was an essential part of our perfect wedding day. His beautiful playing during the ceremony helped create an intimate, elegant wedding for us, and the mood of our reception was set perfectly by a great mix of popular music. He even learned a special song by request that he'd never heard before, and played it masterfully to help us personalize the wedding to share exactly what was in our hearts. . We received many, many compliments from our guests about Justin, and several inquiries about where and how we found him. We enjoyed the day so much, and a big part of that was his music that set the mood for a wonderful wedding and reception. We are grateful to Justin for helping set the tone for our perfect day as we began our new lives together - thanks so much Justin!
